

APPLICATION PACKAGE

This application is for: a **viatical settlement** a **life settlement**
(Please check only one.)

Life settlements enable people who no longer want or need their life insurance – and *who do not have a catastrophic or life-threatening illness or condition* – to receive an advance cash payment for their policy. **Viatical settlements** provide that same option to people who do have a catastrophic or life-threatening illness or condition.

*A few simple forms help us gather the information
we need to assist you*

- **Document Checklist** – this helps ensure we have all the information we need to serve you to the best of our abilities. We will not be able to proceed with your file until we have all of the listed items in hand and thoroughly completed.
- **Application** –if you have more than one life insurance policy, please complete the areas on the application for additional policies, or if you have more than one medical provider from whom we'll need to collect information, please provide complete information for each physician or other information source. *Please note that both the insured and the owner of the policy must complete separate sections of the application (unless the insured and the owner of the policy are the same person).*
- **Representations** - acknowledgements and warranties –be sure to read thoroughly and sign the application, including this section.
- **Disclosure Notice** – information that is important to know if you are considering a viatical or life settlement.
- **Authorization to Release Medical Information** – we need your “okay” to access your medical records and other pertinent information about your current and ongoing health status.
- **Authorization for Disclosure of Protected Health Information** – In keeping with the Health Insurance Portability and Accountability Act of 1996 (“HIPAA Privacy Regulations”), we need your HIPAA-compliant approval on this additional form (also used to access your medical records and other pertinent information).
- **Authorization to Release Life Insurance Policy Information** – again, your permission is required to gather information about your life insurance policy(ies).
